

Skin Secret – An Organic Oil Light Serum

Introducing our new virtually oil free all natural rejuvenating plant nutrient fluid with organic sea buckthorn, calendula, collagen and a very secret blend of essential oils.

Our new plant fluid has taken three years to develop, it is oil light (only 5%) yet nutrient rich!

Sea Buckthorn promotes cell rejuvenation and is a known anti-inflammatory, Calendula oil is a prized for its healing properties and is good for sensitive skin, Collagen imparts greater elasticity, more resilience and a youthful look to skin through its moisture-binding action. Our blend of essential oils compliments the properties of the active ingredients and help to instil a sense of well being.

The carefully chosen ingredients protect and moisturise whilst giving a slight temporary lifting effect...this makes it the perfect under make-up base.

It comes in a 50ml glass bottle with sweet little cork and a tied jute closure.

The retail price is £24 and is available from our website or stockists nationwide.
